What to do in October 2024 in Tirana

October is an extraordinary time for outdoor activities, leisurely walks, and open-air concerts. It is the pinnacle of autumn's beauty, offering a breathtaking display of vibrant colors. Witness Tirana's parks transform from lush green to a mesmerizing blend of gold, red, and yellow, creating an enchanting tapestry of nature's finest hues. [Read more](#)

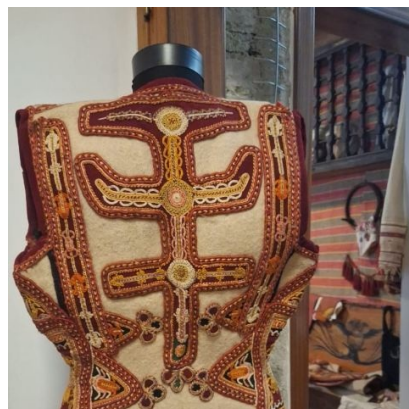

Our Recommendations

National Archaeological Museum

The National Archaeological Museum is located in Mother Teresa Square. It was the first museum to open in Albania after WW2. Inaugurated in 1948 as the

Women's Museum in Tirana

The Women's Museum is a story of Albanian women through well-known and unknown events. The woman in this museum travels in time through objects,

Archaeological and Ethnographic Museum, the ethnographic section was later moved in 1976...[Read more](#)

documents, and photos toward the museum's goal of better discovering the role of women in society...[Read more](#)
